

# Best Cleaning Supplies for a Residential Cleaning Service

Residential cleaners focus on home cleaning services and may need basic supplies like household cleaners, sponges, and vacuums.

## Disinfectant Cleaner:

Residential cleaners focus on home cleaning services and may need basic supplies like household cleaners, sponges, and vacuums.

## Vacuum Cleaner:

Make sure you have a top-notch vacuum that can clean all carpets.

## Duster:

Having both a long and short duster is essential to keeping your clients' space clean and dust-free.

## Rubber Gloves:

Rubber gloves will protect your hands and make sure they aren't exposed to cleaning chemicals all day on the job.

## Trash Bags:

You will need trash bags to dispose of any trash you find while cleaning your customers' homes or offices and emptying their trash cans.

## Various Cleaners:

You'll need glass cleaner, toilet bowl cleaner, carpet cleaner, and so on. The types of various cleaners you'll need will depend on your profession. If you're a maid, you will need to gather basic house cleaning supplies, like toilet cleaner and wood polish. If you're a window cleaner, you will need to purchase glass cleaner and other window cleaning supplies.

## Cleaning Apron or Uniform:

This is an item for you—the professional cleaner. Wearing an apron or a uniform will protect your clothes from getting dirty or damaged. It will help you look more professional, especially if you have a company logo on your uniform.

## Broom and Mop:

These two items are essential to clean any tile or hardwood floor. Don't forget to get a dustpan with your broom and mop cleaner.

## Bucket:

A cleaner's best friend. Use it to carry your supplies and as a water holder for your cleaning tasks.

## Microfiber Cloths:

These clothes make cleaning easy and can be used on any surface—glass, wood, mirrors, etc.

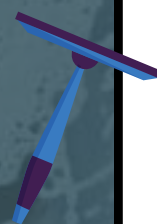

## Shoe Covers:

Go the extra mile and show your customers you care about keeping their space clean.

## Laundry Bag:

Use this bag to collect your dirty rags for washing and reuse.

## Brushes and Squeegees:

These will also depend on the services you provide. You will need a toilet bowl brush for house cleaning and squeegees for window cleaning. Tile brushes can also help you clean tile and make it sparkly new.
